

Men of God
Chapter 1: What's the Driving Force?

August 26, 2026

Scripture Meditation: Romans 1:8-16

Starter: What kept Paul moving from city to city in ministry? Why do you think Paul was so passionate about the gospel?

1. What's the driving force of your life? Think about what motivates you as a person. What might people say who know you? What parts of your life are not currently driven by the gospel?
2. What was it that first attracted you to Christ? How has your understanding of the gospel developed since then?
3. How should the lordship of Christ affect the way you make decisions and plans?
4. How should the events of Christ's life change the priorities you have for yourself and your family?
5. The two lists in chapter 1 are strikingly similar. What are the four main points? What response does each demand of us?
6. If the gospel is not the driving force of your life, what steps could you take to begin to make it so? What keeps you from being thoroughly gospel-focused?
